

INVITATION

Dear Sirs/Madams,

The World Hakka Conference is one of the most influential events for Chinese people in the world, a bridge for Hakka people at home and abroad to communicate with each other and conduct cross-country and cross-regional exchanges, to promote economic cooperation and business exchanges. We, the Hakka people living in Canada are willing to contribute to the realization of this ideal by introducing the "World Hakka Conference" to North America. We are delighted and thankful to have received the trust and support from the City of Markham Council, the 29th World Hakka Conference Co-chairs and Hakkas worldwide, and won the bid to host the 31st World Hakka Conference.

The 31st World Hakka Conference with the theme “**Hakka Reunion & World Harmony**”, will be held from October 8-10, 2021 in the city of Markham, part of the Greater Toronto Area in Ontario, Canada.

2021 will mark the **50th anniversary** of the World Hakka Conference, when we will welcome 3,000 attendees from China, Canada and many countries worldwide. It is our hope that the gathering of global fellow Hakkas and friends of all ages will lead to meaningful exchanges, especially for the younger generations, as we discuss current hot topics and explore opportunities together and find ways to contribute to the welfare of mankind.

We, Hakka-Canadians here warmly welcome you all from all over the world to join us as our guests.

Please send us your inscription, congratulatory message/letter to brighten our Conference.

Sincerely,

Joe Li
